

SEM XIV International Congress (2020)– Oral Policies by track/topic/symposium

If a your submission is programmed in a track/topic/symposium that allows option #3 Oral-only and you choose to do an oral-only you **MUST** email Shari Matthews at shari@sem.org with your paper #/title to indicate you are doing an oral-only presentation. There are 500+ submissions and SEM must be notified of all oral-only presentations or it will be dropped from the program.

| | 1 No oral-only | 2 No oral-only | | | 3 Yes oral-only |
|-----------------------------------------------------------------------------------------------------|--------------------------|--------------------------|----------|--------------------------------------|---------------------------|
| | | A | B | C | |
| 10 th International Symposium on the Mechanics of Biological Systems & Materials | | | | | ✓ |
| 21 st International Symposium on Micro- and Nanomechanics (ISMAN) | | | | | ✓ |
| 6 th International Symposium on the Mechanics of Composite and Multifunctional Materials | | ✓ | ✓ | Will accept 2c as opposed to nothing | |
| Advancement of Optical Methods in Experimental Mechanics Applications | | ✓ | ✓ | ✓ | ✓ |
| Dynamic Behavior of Materials | | ✓ | ✓ | | |
| Fracture & Fatigue | | | | | ✓ |
| Inverse Problem Methodologies | | ✓ | ✓ | ✓ | |
| Mechanics of Additive and Advanced Manufacturing | | | | | ✓ |
| Residual Stress | | | | | ✓ |
| Thermomechanics and Infrared Imaging | | ✓ | ✓ | | |
| Time-Dependent Materials | | ✓ | ✓ | ✓ | |

KEY

- No oral-only presentations allowed.** Must submit full Proceedings paper or will be dropped from the program.
- No oral-only presentations allowed.** Must submit one of the following or will be dropped from the program:
